

Name _____

Holiday Math!

During the Winter Break, visit the math practice games on our website at least 5 times each week and spend at least 5 minutes on one of the games listed for your group. Have your mom or dad check you off. There are 2 sets of this log so you'll be able to complete all your entries.

Mrs. MacAdam's Class Group

This first part is slower paced and easier. Try the quicker, more challenging games when you can.

Date of Visit	Name of Game or Site	Number of minutes spent on the game or at the site	Parent Signature which confirms that the student completed the activity
	Need help in filling out a multiplication chart? Try this: http://www.hbschool.com/activity/mult/mult.html	___ min.	
	Fill in the Multiplication Chart all by yourself. How quickly can you do it? http://www.resourceroom.net/Math/charttryto.htm	___ min.	
	Plain multiplication practice Click on the multiple you want to practice (4s, 6s, 7s, etc.) and say the product then click in the empty box to see if you're right. http://www.multiplication.com/flashgames/flashfun/flash/index.html	___ min.	
	Almost Plain: This game brings up a white box beneath a multiplication problem and you type in the correct product. http://www.multiplication.com/flashgames/quickflash/flash/index.html	___ min.	
	A Castle! Review basic facts. http://www.multiplication.com/flashgames/CastleQuests.htm	___ min.	
	Visit the Car Wash and clean many different kinds of cars. It gives a whole new meaning to "Smart Cars." http://www.multiplication.com/flashgames/CarWash.htm	___ min.	
	Click on the grid and see the worms! http://www.aplusmath.com/games/matho/MultMatho.html	___ min.	
	Try any of the challenging activities that you can manage at this site: Practice Division Facts with baseball! http://www.funbrain.com/cgi-bin/mb.cgi	___ min.	

Holiday Math!, cont.

Mrs. MacAdam's Class Group, cont.

This second part is more quickly paced for those of you who know most of your tables but need to work on speed. Some of these are great, great fun. There are 2 sets of this log so you'll be able to complete all your entries.

Date of Visit	Name of Game or Site	Number of minutes spent on the game or at the site	Parent Signature which confirms that the student completed the activity
	A good, fast review where you type in the product on the zoomed up problem. http://www.multiplication.com/flashgames/QuickFlash2.htm	___ min	
	JUNGLE JIM IS FAST! Choose a math table and quickly click on the "product fish." Look for Jungle Jim's Fish at this link: http://www.multiplication.com/interactive_games.htm	___ min	
	Visit Jungle Jim's monkeys. This is fast. Choose a math table and quickly find the correct products which monkeys hold up for your "target practice." Look for "Jungle Jim's Monkeys" at this link: http://www.multiplication.com/interactive_games.htm	___ min	
	SMACK A MOLE! If you don't click on the correct "Product Mole," he'll laugh at you. If you're correct, he'll get smacked. http://www.multiplication.com/flashgames/Moles.htm	___ min	
	Decorate a gingerbread house each time you choose the correct product. http://www.multiplication.com/flashgames/HolidayPractice.htm	___ min	
	Try any of the challenging activities that you can manage at this site: http://www.bbc.co.uk/schools/ks2bitesize/maths/number.shtml	___ min.	
	Practice Division Facts with baseball and more! http://www.funbrain.com/math/index.html http://www.funbrain.com/cgi-bin/mb.cgi?A1=start4&A2=0&ALG=No&Submit=Play+Ball	___ min.
