Right Side of Box

Cut out this box piece and glue it onto the right side of your cereal box.

Ingredients

List the main "ingredients" and features of your heavenly body. For example, if you're using the sun, here a few ingredients you would include:

Atomic makeup: *You would list the atoms that the sun is made up of and what percentage of the sun they represent.*
Zones*: You would list the zones of the sun and the features found on its surface.*
Satellites: You would list the main satellites that orbit the sun.

Facts about your heavenly body

Make a list of facts about your heavenly body that includes its distance from the sun and earth, number of moons, information about its geography, and any other interesting facts you can fit in. (Of course, if you're featuring the sun, you wouldn't need to write the distance from the sun!)

Write name of your heavenly body here.
